120 NE 27 STREET BAY 500 / MIAMI, FL 33137 / T 305.572.1220 www.dbla1.us

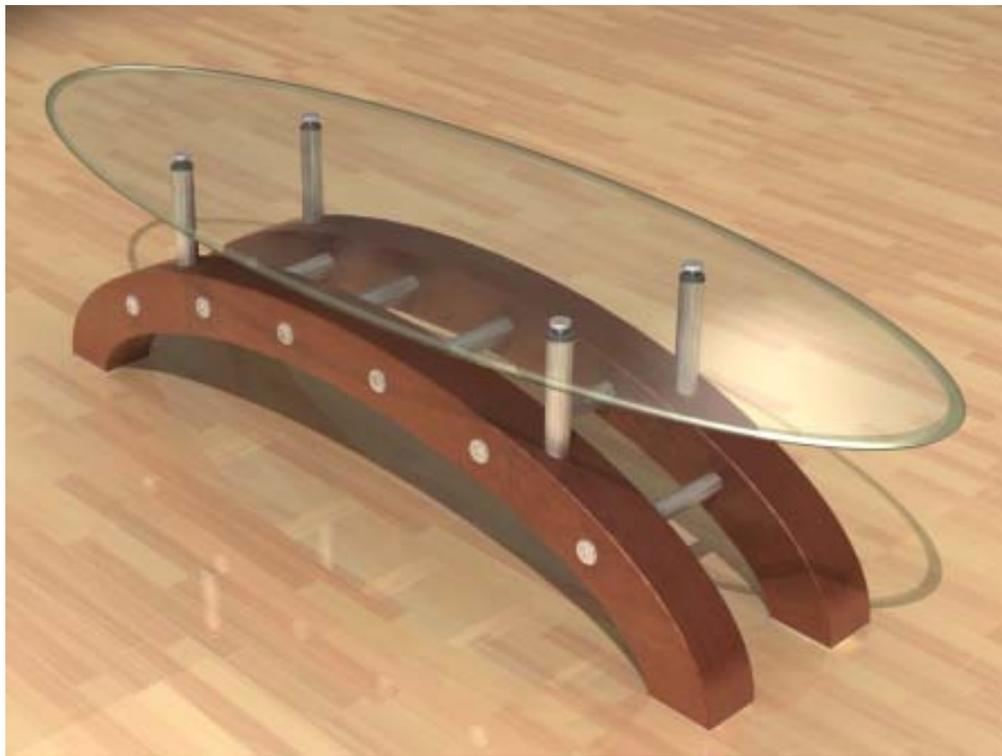

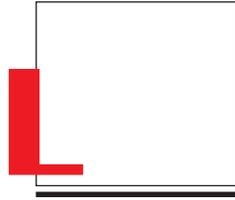

In parallel with his architectural practice, Mr. Lewis continues to design custom furniture and other amenity products for a diverse international clientele. Built works include public fountains, entrance canopies, monumental stairs, salon tables, reception bars, desks, theatre seating, lobby benches, light stands, guard railings and door handles. Examples of both furniture and interior work are displayed.
